# COMPARISON OF CURRENT CURRICULUM VS FUTURE NEEDS.

Curriculum Focus	Current Education System	Future Workforce
Technical knowledge	Emphasis on theoretical concepts	Demand for practical application
Soft skills	Limited focus on interpersonal skills	Importance of communication, teamwork and adaptability.
Innovation	Syllabus coverage (ATP)	Encouragement of creativity and problem solving (entrepreneurship)
Addressing different learning styles of learners.	Value of high grades to measure intelligence- Educational malpractice.	High unemployment- gaps in the skills required.
